

Certificate III in EARLY CHILDHOOD EDUCATION AND CARE

COURSE CODE: CHC30121

Description:

Are you passionate about working with children and supporting their growth and development? This course gives you the essential skills to begin a meaningful career in early childhood education.

Students will learn relevant policies and procedures to ensure children's safety, promote inclusive practices, and begin to develop the knowledge and skills to commence an exciting career in the early childhood education and care sector. There is a Structured Workplace Learning component of this course that must be completed.

This program is for a partial completion of the Certificate III in Early Childhood Education and Care. For students who wish to complete the full qualification, you will have the option of enrolling in the remaining units beyond your secondary schooling.

You will learn things like:

- caring for children's physical, social, emotional, and cognitive needs
- supporting play-based learning experiences
- observing and documenting children's development
- communicating effectively with children, families, and colleagues
- health, hygiene, and safety in childcare environments
- positive behaviour guidance
- first aid and emergency response
- promoting inclusion and diversity in early childhood settings

Does this sound like you:

- Are caring, patient, and genuinely enjoy working with children
- Communicate well with people of all ages
- Value creativity, play, and holistic development
- Are organised, responsible, and able to follow routines
- Have the maturity to handle confidential and sensitive information
- Can work safely, stay calm in busy environments, and adapt to changing needs
- Enjoy working hands-on and contributing to a supportive team
- are considering a career in education, health, or social
