

Certificate II in Building and Construction – Bricklaying

Pre-apprenticeship VDSS
(Partial Completion)

COURSE CODE: 22614VIC

Description:

Interested in building things and working with your hands?

This course is a great introduction to the carpentry trade within the building and construction industry with a focus on bricklaying.

This program gives hands-on learners the opportunity to gain foundational skills in the building and construction industry while completing their secondary school studies. Students develop safe work practices, tool use, measurements, and introductory carpentry—all in a practical environment that supports career readiness.

You will learn things like:

- Learn how to be safe on a worksite
- Safe and effective use of hand and power tools
- How to apply basic bricklaying techniques
- How to identify and handle bricklaying tools and equipment
- How to follow safety requirements in the construction industry.

Does this sound like you:

- Enjoy physical outdoor work and have a practical mindset
- Are comfortable with manual labour and working in all weather conditions
- Have good hand-eye coordination and spatial awareness
- Are confident working at heights and with tools
- Enjoy solving technical problems and working to precise measurements

Future Ready Skills:

Students develop valuable employability skills including:

- Bricklaying skills
- Measuring and levelling
- Workplace safety awareness
- Problem solving
- Construction techniques
- Teamwork
- Precision
- Tool operation
- Communication

COURSE INFORMATION

Qualification	Certificate II in Building and Construction (Bricklaying)
Qualification Code	22614VIC
Qualification Outcome	Partial Completion. Students will receive a Statement of Attainment for Units of Competency completed.
Year Levels	Year 10 (check with your school), Year 11, Year 12
Structured Workplace Learning	SWL requirements vary between VET courses and RTO's. Check with your VET Coordinator
Contribution to Senior Secondary Certificate	Contributes to VCE, VCE VM and VPC in accordance with current <u>VCAA</u> requirements. Speak with your VET Coordinator for advice specific to your senior pathway.
Transport	Students are responsible for travel to and from the delivery location. Subject to transport funding, SMRVC may provide transport on certain routes. Check with your VET Coordinator.
Scored Program	No

Industry Insight: Australia's building and construction industry is one of the nation's largest and fastest growing sectors. Skilled bricklayers are in high demand across residential, commercial and civil construction. This course provides foundational skills and knowledge to help you take the first step towards a rewarding career in the trades.

Venue & RTO:

RTO	LOCATION	DELIVERY DAY/TIME
<u>Victoria University (3113).</u>	Weribee Campus	Wednesdays: 8.30am-3.00pm

Further study Pathways:

- Certificate III in Carpentry (CPC30220)
- Certificate III in Bricklaying and Blocklaying (CPC30220)
- Certificate IV in Building and Construction (CPC40120)
- Diploma of Building & Construction (CPC50220)
- Advanced Diploma of Building Design (architectural) (22627VIC)
- Advanced Diploma of Building Surveying (CPC60121)

Career Opportunities:

- Bricklaying Apprentice
- Stonemasonry apprentice
- Construction labourer
- Civil construction assistant
- Landscaping construction assistant
- Site Assistant
- Building site trainee

How to apply:

All students must apply through their school VET Coordinator and submit their Expression of Interest by the required dates. Placement is subject to availability and school approval.

Course length:

The course is typically delivered over 2 years as part of the VET delivered in schools (VDSS) program.

Fees: VET course and materials costs vary between courses. Refer to your VET Coordinator.

COURSE CODE	UNITS OF COMPETENCY (Guide only may vary between RTO's)
CPCCWHS1001	Apply WHS requirements, policies and procedures in the construction industry
CPCWHS1001	Prepare to work safely in the construction industry
HLTAID010	Provide basic emergency life support
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations
VU23315	Identify and handle bricklaying tools and equipment
VU23316	Apply basic bricklaying techniques
CPCCCM2006	Apply basic levelling procedures
VU23313	Interpret and apply basic plans and drawings
VU23312	Prepare for work in the building and construction industry
VUC23314	Erect and safely use working planforms
VU23317	Apply brick veneer construction techniques
VU23318	Apply cavity brick construction techniques
VU23319	Apply masonry blockwork techniques

ONLY

Please check details with your VET Coordinator prior to enrolment

***UOC's may differ from one RTO to another - these are listed as a guide.**
